- ➡ Health and Social Care
- ➡ Customer Service
- ➡ Business & Administration

TWF is a brand new Full Time programme lasting up to 18 weeks that supports young people aged 16-24 who are looking for an Apprenticeship. The programme has been designed to give learners the appropriate skills and work experience needed to enhance their opportunity to secure an Apprenticeship with a good employer.

What's involved?

- Essential training that is included in a Level 2 Apprenticeship framework, including: First Aid, Food Hygiene, Health and Safety, Employment Right and Responsibilities, Personal Learner Thinking Skills and Safeguarding
- A high quality work placement – 3 days per week from week 5
- Functional Skills in Maths and English up to Level 2 (if applicable)
- Work skills support
- 30 hours participation per week (Monday-Friday)

Frequently Asked Questions:

- **Does TWF meet the Government's Raising the Participation Age requirements?**
Yes - therefore it is an option for 16 year old school leavers who are looking for an Apprenticeship
- **Can we still receive child benefits and child tax credits?**
Yes - TWF is considered a full time education programme
