Celebration afternoon Thursday 9th July

Dear Parents/Carers,

We are delighted to tell you that Chelsea's family will be joining us on Thursday afternoon for the special event planned in memory of her.

As this is a special day we would like the children to come to school in their own brightly coloured sports kit for the day. We are hoping for a sunny day so please ensure that they have sunscreen on & bring a hat.

We will be making a collection on the day & any children/parents who wish to donate may do so.

Some parents have also asked about making cakes for the afternoon to raise funds. We are more than happy for you to do this & we will provide a table for you on the school field (or in the hall if the weather is wet).

Parents are welcome from 12.30pm onwards when children will be having their picnic lunch. Children will then be able to join in with some fun activities.

At approximately 2.00pm we have the balloon release for Chelsea.

Parents will be free to leave school after this & may take their children if they wish to.

We look forward to seeing you on Thursday & have our fingers crossed for a sunny afternoon!

Regards

S. J. Osman
Headteacher
