## Summer Break

Dear Parents/Carers,

A short reminder that pupils break up for the summer holiday at **2.30pm** on **Thursday 16th July**.

Children return to school after the summer break on **Tuesday 8th September**.

May I take this opportunity to remind parents that from September the school gates will open at 8.30am & children must be in class by **8.40am** for registration.

The school day will end for the children at **2.45pm** every day.

Breakfast club will not be affected by these changes & will continue to run at the same times as it does now.

I hope that you all have a lovely summer break & the sun continues to shine!

We look forward to seeing you in September.

Your sincerely

S.J.Osman
