

TEAM - 'Together Everyone Achieves More'

Our Building Site

We would like to thank Harper's building company and the Wrekin Housing Trust who have provided us with high viz jackets and hard hats for our 'building site.' They have also provided us with building materials. Our building site is being used by the whole school to build structures in DT and to help us master the maths curriculum.

Thank you for helping us raise money for Breast Cancer. We have raised £117.00

Notices

Please do not allow children to play on the adventure play area at the beginning and end of the day.

Hair

Please ensure that children who have long hair tie it up. Thank you.
