

TEAM - Together Everyone Achieves More

Notices

Drinks in School

Children should only be bringing still plain water in sports bottles for drinking in the classroom, any other drinks could spoil the children's books if spilt on.

Parking

Please take care when dropping children off in cars and look out for pupils who are crossing the roads. Please do not drop off or park outside the school gates or on the yellow lines. The police are monitoring parking.

School Uniform

We would like to remind you that children should be wearing **black trousers** or skirts for school, not jeggings or jeans.

Bags

The only bags children should be bringing into school are their PE bag and lunch box. This is because there is not enough storage room in the classrooms. **Handbags** should not be used.

Clubs

Please remember there will be no clubs the last week of term -week commencing 18th July.

Late For School

If your child is late for school, they must *report and sign in* at the office.

If you are running late, picking your child up, please telephone school to let us know.

Cookery Club

Children are enjoying taking part in the new cookery club. They are learning to make healthy meals from fresh products.

Attendance

Please remember to telephone school first thing in a morning to let us know if your child is ill. You may be asked to provide medical evidence if your child does have a lot of time off school.

You can also text us on 07984474083
