Golden Jubilee Rededication Service

Dear Parents/Carers,

On **Wednesday 13th July**, Donnington Wood CE Juniors will be 50 years old. To mark this very special occasion we will be holding a rededication service at **10.30am**. On Wednesday 13th July 1966 the Bishop of Litchfield opened the school and a dedication service was held.

Our rededication service will, as closely as possible, follow the same format as the original service and conclude with a short slide show of photographs recreating some of the schools past events.

As this is a formal service celebrating the school as a church school, it will take the form of 'Collective Worship' and as such may not be suitable for very young children. Pupils from the worship council, school council and choir will be taking part but the service will be different from our usual 'performance style' events, with a more spiritual feel.

I know that many of you attended the school as pupils and it would be lovely to see you at this very special event.

If you would like to join us, please fill in the slip below requesting tickets. This is important because we need to know, in advance, how many parents will be attending, so that we can print off the correct number of order of service sheets. Please note that you will need to **bring your tickets with you on the morning of the service in order to attend.**

Tickets must be ordered by Monday 4th July.

We look forward to seeing you.

S. J. Osman

Headteacher

Child's name Class

I would like to attend the Rededication Service on Wednesday 13th July at 10.30am and would like tickets.
