TEAM - 'Together Everyone Achieves More'

## Toys in school.

Toys of any kind are not allowed to be brought into school. We have recently had a number of children bringing in fidget spinners. Please do not allow your child to bring these into school.

## Warmer weather.

During the next few months, we will hopefully be having warmer and sunnier weather. Please remember to protect your children with sun lotion before they come into school. Also, a sun hat and water bottle are ideal. Water bottles can be purchased from the school office for a cost of £1.50.

## Leave in term time.

Any leave during term time **MUST** be applied for, including holidays. A leave of absence form can be requested from the school office.

## Dentist appointments.

We would ask that any dentist appointments, if possible, are made out of school time to prevent your child from missing important work.

Any appointments that are made during the school day we ask that you please bring in an appointment card as proof towards your child's attendance.

## Donations

Any spare unwanted plants (flowers, vegetables) that children can plant in school would be very much appreciated.

## Football club.

Football club starts next week. Years 3&4 starting Tuesday 16th & years 5&6 Thursday 18th. You will be notified by a letter today, if your child has a place.

## SATS

Well done to all year 6 pupils and staff involved in SATS this week. You have all worked very hard and we are very proud of you.

## Fund raising for Plan International.

School raised £280.00 which has been donated to our sponsored child Herve Djegbe (age 14), who lives in Benin, West Africa.

Thank you for your support raising money for Plan International. Money from World Book day, mufti and our Easter service, all went towards Plan International.

## Bags

### Reminder from last month's Woody Weekly.

Children only need to come to school with their PE Kits and book bags. No handbags or large sports bags please.

Pencil cases are **NOT** needed in school.

## Lost wedding ring.

A man's wedding band has been found on school grounds. If anyone has misplaced this, please come to the school office.
