**Explain**

# Explain it

- ❖ I know I am right because...
- ❖ I know I am incorrect because...
- ❖ The remainder means that...
- ❖ There is a pattern to my answer...
- ❖ I know I have found all the possibilities because...
- ❖ I can solve this in a different way...
- ❖ My answer is not near my estimation; I must be...
- ❖ My answer is near my estimation; I must be...
- ❖ After I eliminated all the possibilities, I am left with these...
- ❖ I can justify my answer...
- ❖ I can convince you I am right by.....
- ❖ There is more than one option because...
- ❖ If I had to answer this question again I would...
- ❖ It is always/ sometimes/never true that...
- ❖ The graph/table tells me...
