

TEAM BLUE!!!

Welcome back!

[CORONAVIRUS: A BOOK FOR CHILDREN](#)

# Arriving at school.

- ▶ Please ensure that you arrive on time. If you are late, you may not be permitted into school.
- ▶ Please abide by social distancing rules and remain 2m away from anyone else.
- ▶ Once you are permitted into school, you must make your way to your designated classroom (this will not necessarily be your usual classroom).

# Arriving at your classroom

- Wait on the chalk lines (2m distanced) until you are called in to class

# Arriving at your classroom

- ▶ Your temperature will be taken by a member of staff who will be wearing full PPE (a visor, gloves and an apron)

This is for your safety as much as theirs.

- ▶ If you are displaying a high temperature then you will need to return home.

# Entering the classroom

- You will keep ALL of your belongings with you. These must be placed on, or under, your table.
- You will be assigned your own table that you will use throughout the week.

# Entering the classroom

- ▶ Once you have placed your belongings at your table, you will be asked to wash your hands.
- ▶ The tap will already be running and you will leave it running so as to avoid lots of people touching the tap.
- ▶ You will need to use soap and wash them for 20 seconds. (see link below)
- ▶ You will use a paper towel to dry your hands which will then be placed in to the bin alongside.
- ▶ You may then return to your seat.
- ▶ <https://www.bing.com/videos/search?q=nhs+hand+wash+video&docid=608043149837928880&mid=82EF7E61328389CB28F082EF7E61328389CB28F0&view=detail&FORM=VIRE>

# Your desk and working in class

- ▶ You will be provided with everything you need in order to work successfully.

Tissues

Hand gel

Ipad

Paper/workbook

Pencils/pens

Whiteboard and pen

(You only need to bring a water bottle and coat)

# Safety first

- ▶ School will be a one way system to avoid having to pass each other closely. Please follow the signs and listen to the adults who will direct you around school.

# Safety first

- ▶ You will only be able to use the toilets in your own classroom area
- ▶ Only one child at anytime will be permitted into the toilets
- ▶ We will expect you to wash your hands and then sanitise them as well upon re-entering the classroom.

# Safety first – feeling unwell

- ▶ If you become unwell during the school day, you will be asked to sit outside the classroom (If it is raining, this will be in the corridor)
- ▶ A first aider will come to see you, they will be wearing full PPE.
- ▶ You may be sent home depending on your symptoms.

# Playtime

- ▶ Blue group will be using the field for playtime, it will be sectioned off using cones for each bubble.
- ▶ Whilst we will still expect everyone to remain at a safe distance, we will devise a range of fun activities that we can all enjoy.
- ▶ When the whistle is blown, you will stand still until you are called back to your classroom.

# Playtime

- ▶ The adventure and bottom playground will not be in use

# lunchtime

- ▶ You will be asked to wash your hands
- ▶ Blue group - school dinners and sandwiches will line up outside of your bubble classroom and follow the one way system
- ▶ You will wait to be called forward

# lunchtime

- ▶ You will enter the hall via the fire exit alongside the carpark
- ▶ You will not be able to enter the hall via the fire exit by Mr Rawson's room
- ▶ You will collect your lunch and make your way back to your bubble classroom

# lunchtime

- ▶ You will make your way back to your classroom through the correct corridor. You will not be able to enter the corridor via Mr Rawson's office.
- ▶ You will return to your table which will have been cleaned whilst you were gone.

# Safety first – fire drill or lockdown

- ▶ If the fire bell rings (one continuous long bell) then you will be directed to line up on the top yard in your groups.
- ▶ If lockdown occurs (several short, sharp bells) you will need to remain in your classroom or be directed to return to class promptly.

# Safety first

- ▶ Hand washing throughout the day.
- ▶ Catching sneezes in tissues and sanitising hands once you have disposed of the tissue.
- ▶ Do not share resources or food.
- ▶ Keep a safe distance from others.
- ▶ Wear different, clean clothing each day.
