

Welcome to Donnington Wood CE Junior School

COVID 19 UPDATE: at the time of writing we are unsure what the future holds. We will publish the plan on the website, it is certain that there will be changes to the times and arrangements. Please check the website regularly.

We hope that the day-to-day information contained in our school prospectus is helpful. However, if you have any queries about the school that are not answered in our prospectus, please do not hesitate to contact us.

All the documents referred to are available for your inspection at any reasonable time. If you wish to see any of them, please contact the school administrator to make an appointment. If you require a copy of any of these documents, this will be possible on payment of a small charge to cover the cost of photocopying.

Any records concerning your child that are kept in school are available for your inspection at any reasonable time. Please make an appointment via the School Business Manager, Mrs Bailey.

The information contained in this booklet is correct at the time of going to print but it is possible that changes may be made before or after the school year starts.

“The ones who plant and the ones who water work together as a team with the same purpose.”

1 Corinthians 3:8

We believe that with God’s help when we all work as a
TEAM - Together Everyone Achieves More.

Dear Parents/Carers,

Welcome to the school

The purpose of this prospectus is to help you to get to know more about our school. Donnington Wood CE Juniors is a mixed age, Church of England Junior School, controlled by Telford & Wrekin Local Authority.

Our vision celebrates the TEAM; it is very important to us that the partnership between school and home is as good as it possibly can be. We aim to provide a rich, inclusive and caring environment for all of the children at our school and we want parents and guardians to share in that process.

There will be many opportunities throughout your child's time here for you to share in their education and my staff and I will always be available to talk to you about any aspects of your child's development. We are always keen to share and celebrate the children’s successes - both academic and extra-curricular- and you will be able to join us for class activities, Christmas and Easter services and other events throughout each year. Our newsletter, ‘Fox’s Features’, keeps you informed of the latest events and is sent home, with copies placed online and on the school notice board.

One of our greatest aims is to encourage children to take care of each other within a framework of our vision. We believe very strongly that children should take responsibility for their own actions and, by fostering this atmosphere of self-respect and respect for others, we hope that all children will have the opportunity to fulfil their potential, both academically and socially, ready to succeed in life.

The school has a clear positive behaviour policy, a copy of which is enclosed with this prospectus, to support both school & parents in the task of ensuring that each child is confident & happy about coming to our school. Our safeguarding procedures are also robust and thorough to ensure the safety of your child is paramount.

As a Church of England school, we have close links with St. Matthew’s Church and we aim to work together to confirm the values and principles of the Christian faith. The school has been judged to be ‘Outstanding’ for its distinctiveness as a Church school and holds ‘Beacon’ status as an exemplary Church school.

We hope that you will share with us in making this a successful & happy period in your child's life.

On the next page you will find our vision, this, we feel, sets out our goals and mission statement for your child’s education – and is what drives us all to be the best we can.

Yours sincerely,
Mr Fox
Headteacher

School Vision

Our school is a community where each person is valued as a child of God. We are a Church of England school, inspired and guided by the life and teaching of Jesus. We work together to create a caring, friendly and safe school family, to enable the whole school community to flourish and each person reach their full God-given potential.

The School Logo links to our Motto.

“The ones who plant and the ones who water work together as a team with the same purpose.”

1 Corinthians 3:8

We believe that with God’s help when we all work as a TEAM - Together Everyone Achieves More.

Our Mission (INTENT)

At Donnington Wood CE Junior School we will:

- put the safety of everyone as a priority so we can work in trust and peace.
- encourage everyone to understand the true meaning of friendship, fellowship and community by acting with humility, compassion and in service to each other.
- be inclusive so everyone is valued and respected and where tolerance and diversity are celebrated.
- seek out every opportunity to ensure that all of us flourish in all that we do, developing wisdom and creativity, through an ambitious and broad curriculum that challenges expectations, deepens knowledge and develops skills.
- empower pupils and adults to develop hope and perseverance, so that they are able to engage/explore the challenges of school and the wider world.
- nurture the spiritual development of our school fellowship, develop tolerance of other faiths, beliefs and cultures and build religious literacy through collective worship of God and teaching of RE.
- champion our values to equip our children ready for their future as respectful individuals, life-long learners and active citizens in society (justice).

Our three core values are: friendship, hope and perseverance.

This Vision and Mission will be evident in all we do, from the way we work together to the attitudes to life you will see us show. **We look forward to you welcoming you to the school.**

The Prosepctus will now detail aspects of the school that you need to know about and also how the vision is evident.

The Governing Body

Your Governors work as a team. They are responsible for making sure the school provides a good quality education for all pupils; raising educational standards in school is a key priority. This has the best chance of happening when there are high expectations of what pupils can achieve. Your Governing body is accountable to parents, the local community and the Local Authority. Governors are at the heart of how a school operates. Governors support and challenge head teachers by gathering views, asking questions and discussing what's best for the school. They are not there to rubber stamp decisions.

The Governing Body:

- ensures the vision is fit for pupils and raises attainment.
- is accountable for the performance of the school to parents and the wider community
- plans the school's future direction
- makes decisions on the school's budget and staffing including the performance management policy
- makes sure the agreed Curriculum is well taught
- decides how the school can encourage pupils' spiritual, moral and cultural development
- makes sure the school provides for all pupils including those with special needs.

Your Governing body meets at least once each term to ensure the smooth running of the school and to discuss school improvement. Discussions cover all aspects of school life from improving the school grounds, to the appointment of staff and budget forecasting, as well, of course, teaching and learning. The Governing body is made up of a range of representatives who come together to form a very supportive team working together for the good of your child.

Co-opted Governors (These governors have been co-opted as they have the necessary skills to challenge & support the work of the school.)

Mr Steve Jones (Chair)

Mrs Claire Worthington

Foundation Governors (Foundation Governors are appointed by the Diocese and ensure our connection with the Church remains strong.)

Reverend Paula Smith

Mr Brian Green (Vice Chair)

Local Authority appointed Governor (These governors are appointed by Telford & Wrekin authority and give a wider perspective to our work in school.)

Vacancy

School Governors

Mr Robert Fox – Headteacher

Mrs Cheryl Bailey - Staff representative

Parent Governor

Mr Dominic Attrell

Mrs Lynn McGuire

Parent Governors are your direct representatives on the Governing body and form a close link between school and parents. If you would be interested in becoming a parent governor, please contact the school. Minutes of Governors' meetings are located in the school office & accessible to everyone who wishes to see them.

School Admissions & Transfers

Your child will probably have come to us from our main Infant feeder school, Donnington Wood Infants. If this is the case, you will have been invited to see the school and to meet the Head and your child's class teacher. Your children will have visited the school to meet their new teachers and to see their classrooms.

If you are new to the area and you have children of an age to come to us, you are welcome to make an appointment to be taken round individually. Any queries or questions will be answered fully and should you decide to send your child to us, you will need to fill in the online form and provide us with information relating to date of birth, doctor, telephone contact numbers, possible allergies etc.

The school's Pastoral Support Manager, Miss Ganderton, works closely with any children who transfer to our school for a short induction period to ensure that children feel secure and comfortable in their new school.

Inclusion Policy

In line with our school vision, Donnington Wood CE Junior School has a policy of 'inclusion'. This means that the school is committed to providing the very best education for all of its pupils, including those with special needs. The school has been adapted to cater for children or adults with physical disabilities, to enable them to take part fully in the life of the school.

The school has a number of children with special needs ranging from mild learning difficulties to more complex physical or medical needs. These children are fully integrated in to the school in line with our inclusion policy.

Some of our pupils with more complex learning or behavioural needs spend some time in our Mini-school where the ratio of teacher to pupil is higher so that these pupils receive the appropriate provision.

Mrs R Davies is our SEND coordinator and can be contacted through the office.

School Uniform

Our children enjoy the sense of belonging and pride in their school that the wearing of a uniform brings. All children are therefore expected to wear uniform to school.

Please note that it is your responsibility as parents/carers to make sure that your child is in the correct uniform each day.

The school uniform for our school is:

Purple school sweatshirt/cardigan - these are purchased from school.

White shirt or polo shirt

Black trousers or knee-length black skirt

Black shoes

Purple & white summer dresses may be worn in the summer term

Waterproof coats are also available from school & have the school logo on them. (Price lists are available from Mrs Worthington/Miss Armstrong in the school office).

Jewellery

Small stud earrings and a watch may be worn as an acceptable part of our school uniform. Other jewellery items, such as necklaces etc. **MUST NOT** be worn to school for health & safety reasons.

Jewellery items are the responsibility of the wearer & the school cannot accept any responsibility for loss or damage.

PE Kit

Short-sleeved white t-shirt with school logo (these are available from school)

Plain black shorts

Black or white trainers

Coloured PE bag (provided)

All children take part in at least 2 hours of PE each week and also have the opportunity to take part in a variety of lunchtime & after-school sporting activities.

PE DAY

When your child has PE, they may come in in their PE kit, this means they will complete other activities during the day. It must be the school PE kit, if cold they may wear joggers and their school jumper.

For Health & Safety reasons, children are not permitted to wear JEWELLERY of any sort for PE.

This is not usually a problem unless children are wearing earrings that they find difficult to remove themselves. We would ask your support with this by asking you to make sure that your child is not wearing earrings on the days that they have PE (Class teachers will be able to tell you which days these are).

Please remember that all school uniform, including PE Kit must be named.

How we look after your children

The staff are all of the people who come into contact with the children - not just the teachers, but everyone, from the cleaners and kitchen staff to the school administrators, business manager and the teaching assistants. Every Member of our team shares the schools' vision.

Staff are always happy to help and support pupils and parents in any way that they can. Mrs Bailey, our School Business Manager or Miss Armstrong our Administrator, are usually the first people that you will meet on entry to the school and they will be able to help you with most of the questions or queries that you may have.

Teaching staff are always happy to see parents but we would ask that you try to avoid the very busy morning session and pop in to speak to teachers at the end of the day, unless of course, the matter is urgent.

If you wish to leave a message for the class teacher, the office staff are happy to pass on any information on your behalf.

If you need to see the Headteacher, please ask at the main office but please be aware that you may need to make an appointment.

The Senior Leadership Team

Mr Fox
Headteacher

Mr Rawson
Deputy Headteacher

Mrs Poyner
Assistant Head

Pastoral Support

There will always be a member of staff outside who can help you in the morning or end of the day. However, if you would like to meet with our Pastoral Support Manager, Miss Ganderton, please ask for a meeting.

We run a number of open events throughout the term and we welcome you in to share in your child's success. If you would be interested in helping in the school, we would be more than happy to see you!

Staff

Headteacher: Mr R Fox

Deputy Headteacher: Mr J Rawson

Assistant Headteacher: Mrs Poyner - Class 6P

Teaching Staff:

Miss O'Shea	Class 3O
Miss R Percival	Class 3P
Miss Barden	Class 4B
Miss Loureda	Class 4L
Mr Cadle	Class 5C
Miss Ganderton	Class 5G
Mrs Poyner	Class 6P
Mr Wilkinson	Class 6D
Mrs Dymond	Year 6 Teacher
Mrs F Davies	Year 4 Teacher
Mr M Vince	Music teacher
Mr P Field	Math support & PE/Sport teacher
Mrs R Davies	Mini-School & SENCO (Special needs coordinator)

School Business Manager: Mrs C Bailey

School Administrator: Miss S Armstrong

Pastoral Support Manager: Miss R Ganderton

Pastoral Support: Mrs C Worthington

HLTA's: (Higher Level Teaching Assistants)

Mrs D Minor

Mrs C Worthington

Miss F Brennan

Miss Price

Mrs Morgan

Teaching Assistants:

Mrs A Brennan

Miss L Owen – Breakfast Club Lead

Mrs K Rutherford

Mr S Bailey

SSA: (Special Support Assistant SEN)

Mrs V McTegart

Caretaker: Mr S Bailey

The School Day

Our school day is 8.45am until 2.45pm every day.

The school gates open at **8.30am**. Children then come straight into school via their classroom doors for maths-based 'morning activities'.

Lessons begin at **8.45am** directly after registration. If your child arrives after 8.45am they must report to the main office to register before going to class.

School gates **DO NOT OPEN until 8.30am** and we ask you to ensure that your children do not arrive at school any earlier than this unless they are attending 'Early bird club'

The lunchtime session begins at 12.30pm & ends at 1.15pm.

If you choose to take your child out of school for dinner, they will need to go home at 12.30pm & not return to school until 1.15pm.

The school day ends at 2.45pm every day.

Early Bird Club

Early Bird Club runs from 7.45am to 8.35am each morning. Children attending the club receive a healthy breakfast & take part in some fun morning activities.

The cost of attending 'Early Bird club' is heavily subsidised by school to keep the cost low at £1.50 per day or if you pay for the week on the Monday it is £6.50.

Unfortunately, places are limited but we do try to support as many children as possible through this provision.

If you feel that your child would benefit from attending our Early Bird Club, or you would like more information about it, please contact Mrs Bailey.

Attendance

It is very important that your child attends school on time every day. Studies show that those children with poor attendance at school are far less likely to reach their full potential. Children with high levels of attendance make more progress than those with poor attendance. Our attendance routines are very rigorous and are linked to safeguarding policies, to ensure pupils are attending school. If you are experiencing issues with good attendance we will invite you in for a meeting, to offer you further advice or help.

Working in a school, we are all too aware of the increase in the cost of holidays when schools are closed compared to term time costs. However, we would urge you not to book holidays during term time as the time off **cannot be authorised**. Unauthorised holidays will lead to a fine.

If your child is going to be absent for the day due to illness, we ask you to phone school. If possible, please phone before 8.45am so that registers can be completed correctly.

Parking

As with most schools, parking is always a difficulty. If you use a car for transporting your child to school, we would ask you to avoid parking outside the school gates and if possible, park on Winifred's Drive. We encourage as many pupils & parents as possible to walk to school.

Parents are not permitted to bring cars onto school grounds unless prior permission has been sought from the school.

Breaks and Lunchtimes

All of the children have two breaks in the school day - one break mid-morning & one at lunchtime.

Mid-morning break 10.30am - 10.45am

Lunch time break 12.30pm - 1.15pm

During lunchtimes, your children are taken care of by our PE/sport teacher Mr Field, Pastoral staff, HLTA's & Teaching Assistants. Children take part in a wide range of activities including PE activities, adventure playground games etc. They can also enjoy some of our quieter spaces.

In line with our vision, there is no separation or division between those children who pay or those who have free school meals. If, in fact, your child currently is having free school meals, that facility will automatically transfer with them. If you think your child may qualify, please ask the School Business Manager, Mrs Bailey, for the appropriate form.

Playground Buddies

A number of our children take on the important role of being a 'Playground buddy'. Pupils receive training from Miss Ganderton, our Pastoral Support Manager, and take their responsibility for 'looking after' other pupils in our school very seriously.

Playground buddies are also responsible for getting out lunchtime playground equipment and helping to organise lunchtime games.

School Dinners

Children have the choice of bringing a packed lunch into school or having a cooked school meal. Children can choose to have a school meal every day or on selected days. Fish Fridays are always a popular choice with our pupils.

We have an excellent cook and she often organises special dinner days throughout the year, bonfire lunch being one of the children's favourites!

Meals cost £2.30 per day and can be paid for daily, weekly or monthly in advance. Cheques should be made payable to Telford & Wrekin.

Any difficulties related to dinners, including money issues, are dealt with by the school cook. If you have any queries regarding dinner money, the cook is available from 10.00am until 11.30am each morning. Please ask at the school office for an appointment.

Please note that school staff CAN NOT handle dinner money & can't give change.

The School Curriculum linked to our Vision

Our school vision drives everything we do, it reflects the needs of our pupils and local area to challenges all to succeed.

Your children will experience a wide range of subject areas during their time at the school. They will also have the opportunity to take part in extra-curricular activities such as sport, drama, art & music. The curriculum is as broad and as balanced as possible to ensure that the needs of all children are catered for and special gifts or talents are nurtured. No child in our school should feel disbarred from equal access to the curriculum, irrespective of ability, gender, race or creed.

At Donnington Wood CE Junior School we will:

- put the safety of everyone as a priority so we can work in **trust** and **peace**.
- encourage everyone to understand the true meaning of **friendship**, **fellowship** and community by acting with **humility, compassion** and in **service** to each other.
- be inclusive so everyone is valued and respected and where **tolerance** and diversity are celebrated.
- seek out every opportunity to ensure that all of us flourish in all that we do, developing **wisdom** and **creativity**, through an ambitious and broad curriculum that challenges expectations, deepens knowledge and develops skills.
- empower pupils and adults to develop **hope** and **perseverance**, so that they are able to engage/explore the challenges of school and the wider world.
- nurture the spiritual development of our school **fellowship**, develop tolerance of other faiths, beliefs and cultures and build religious literacy through collective worship of God and teaching of RE.
- champion our values to equip our children ready for their future as respectful individuals, life-long learners and active citizens in society (**justice**).

There is further details on this in action on the website.

Our Vision drives our approach to the Curriculum

By the time that your child finishes here, your child will have received a rich & varied curriculum that has also covered all the appropriate elements of the National Curriculum. As a school we have a 'Creative curriculum' approach. This means that most subjects such as history, geography, art etc. are linked through a 'Topic' or 'Theme' each term.

In our school the children are taught Literacy (English) & Maths in the morning by their class teachers. In the afternoons children are taught all of the other subjects, such as Science, History, Art etc., by the teachers who specialise in that particular subject area. Our values and vision is weaved into these lessons and safety promoted through online safety lessons and lessons on how to look after yourself. Our curriculum promotes British Values and champions pupils social, moral, spiritual and cultural needs. In this way, we feel that our pupils receive the very best education we can offer. It also means that our pupils are well prepared for their next stage of education.

Each year the school produces a **School Development Plan (SDP)** where the main initiatives for the year are outlined. Before producing the SDP, we consult with pupils, parents, governors as well as staff to take account of everyone's views and opinions about what is important to us as a school. The main focus of the SDP is always on improving standards of attainment & progress for the children in our care.

If you would like a copy of the SDP, please contact Mrs Bailey, School Business Manager.

Topics for 2020/2021

We publish our most up to date curriculum on the website.

In line with our vision, our curriculum is designed to ensure that important **key skills** are developed as your child moves through the school. These may include historical research skills, geographical mapping skills, computing skills etc. Each term the skills are developed through a whole school Topic which is broken down for each year group. All subject areas are linked to the topic and our values.

This is a sample overview for the Autumn Term, each term can be found on the school website and will be sent home to you. Our Topic work is also linked to the national Curriculum for each subject area. This is currently being updated for 2020-2021 and we will send out details in September.

Topic Curriculum			AUTUMN	SPRING	SUMMER
			Where we live	How we travel	Where we can visit
3	History	Changes in Britain	Early settlers in Britain Stone Age to Iron Age	Transport through the ages	Castles
	Geography	Our local area	Local map work Village, town and city	Rivers and floods	Tourism in Shropshire
	Science		Rocks/ Animals	Forces & Magnets	Light & Plants
4	History	Britain's settlement	Romans in Britain	Invaders to Britain Anglo-Saxons Vikings	Victorian seaside
	Geography	UK regions	UK map work Settlements in the UK	Coasts and mountains	Seaside holidays Seaside resorts
	Science		Animals Food chains Solids. Liquid & gases	Electricity & sound	Living things/habitats – seaside habitats
5	History	Ancient Greece	Ancient Greece	Explorers –Marco Polo Shang Dynasty in China	Ancient Egypt
	Geography	The Mediterranean	European regions countries and cities Mediterranean countries	Volcanoes and earthquakes	Climate and weather Tourism in the Mediterranean
	Science		The work of Aristotle – life cycles Priorities & changes of materials	Earth & space, forces (moon, tides...	Human life cycle
6	History	Mayan civilisation New World explorers and settlers	Mayan civilisation/ Aztecs	New World explorers and settlers	Social history Leisure and entertainment in 20 th century

Geography	North America The Caribbean	North and South America map work Contrasting regions	Extreme Weather / Hurricanes	Tourism in the Caribbean
Science		Living things & their habitats Evolution & inheritance	Electricity	Animals

Special Educational Needs (SEND)

A number of our children have special educational needs, which may be a specific learning difficulty, or take the form of an emotional or behavioural need. These needs may not be best met by the classroom teacher alone and, if we consider that there may be an issue, we will ask you to call into school to discuss how we can best work together for the child's benefit. Mrs Davies is the coordinator for special educational needs (SENCO) and she is supported by teaching and support staff who are dedicated to helping children throughout school.

The school has a 'Mini-school' where some children may be taught in smaller groups for part of the school day in order to cater for their specific needs, this can be for a small project such as develop handwriting or a longer time support of phonics. However, the goal of this is to fully integrate within the school. Some pupils may receive some additional in-class support or extra support outside the class at appropriate times from our Teaching Assistants and Pastoral Staff.

Gifted & Talented Provision

We feel that all of our children are special and all have something special to offer. However, a small number of our children have specific gifts or talents that, as a school, we are keen to develop. The school has a Gifted & Talented Coordinator who is responsible for ensuring that the particular needs of G&T pupils are catered for. If you feel that your child has a particular gift or talent, please do not hesitate to let us know. We are always keen to hear about & support children's achievements out of school. Mr Field is able to support you with out of school sports clubs if needed.

SMSC – Spiritual, Moral, Social & Cultural Development

In line with our vision, developing the pupil's awareness of the spiritual, moral, social & cultural diversity of the world in which we live and promoting **British Values** is of paramount importance to us. We offer numerous opportunities to explore all aspects of SMSC both through the curriculum & through the way we work as a school.

Our Christian values of tolerance, respect & understanding underpins much of the SMSC work that takes place in the school.

We use our outdoor learning spaces, such as 'Forest school', not only to enhance the children's learning experiences but to also develop their awareness of the need to care for the environment.

As part of the SMSC programme, the children in year 6 also take part in a variety of activities related to personal safety & developing healthier life styles.

Both STAR & Crucial Crew are run with the support of Police Officers and are very popular with our year 6 pupils. Children learn about peer pressure, being assertive and the hazards of substance

abuse etc. They also spend a day working with various agencies, including the Fire service to learn about personal safety.

Religious Education & Spiritual awareness

The teaching of Religious Education (RE) has a strong focus as we are a Church of England School. Each class has a worship area where children can sit quietly & reflect or share their thoughts & prayers. We also have a 'Spiritual garden' which children can use during the day. It is also the home of Rosie, the school rabbit.

The school follows the agreed syllabus for the teaching of RE and children learn about other religions and cultures as part of their RE work.

The children take part in a wide range of activities designed to explore different faiths and cultures from around the world, during Multi-Cultural week in the spring term of each year.

Collective Worship

Pupils take part in collective worship (assembly) each day, sometimes as a whole school & sometimes as a class. This is linked to our vision and of paramount importance to us. Each week we focus on one particular value, for example friendship, thankfulness, or wisdom. In this way children learn about the Christian values that are all moral values that will help them to become good citizens of the future. Parents have the right to withdraw their children from collective worship if they choose to do so.

Personal Social and Health Education – PSHE

We believe that PSHE and Citizenship are very important aspects of the work that we do in school to support SMSC.

PSHE & Citizenship are delivered in a variety of ways. Each half term there is a whole school focus on one aspect of PSHE and the children take part in a variety of activities including collective worship, circle time and 'Rainbow group' activities. Rainbow groups give children the opportunity to work with children from other classes and age ranges to discuss a wide range of issues. Circle time gives children the opportunity to share thoughts and feelings in a very relaxed and open manner. The children also take part in a range of activities during Anti-Bullying week in November of each year and internet safety day in February.

Relationship Education as part of PHSE (RSE)

From September 2020 there is a new statutory framework for relationship education. You can find out more information on our website. However, in line with our vision, we teach through our values about:

- Different types of relationships, including friendships, family relationships, dealing with strangers.

- how to recognise, understand and build healthy relationships, including self-respect and respect for others, commitment, tolerance, boundaries and consent, and how to manage conflict, and also how to recognise unhealthy relationships;
- how relationships may affect health and wellbeing, including mental health;
- healthy relationships and safety online

Sporting Activities

There are a wide range of sporting activities that our children take part in both during school hours and after school. We also take part in a variety of Inter-School competitions. Mr Field, the schools PE & Sports coordinator runs a number of lunchtime & after school clubs. Details of clubs are sent out by letter at the beginning of each term.

When your children reach year 6, they will have swimming lessons each week during the summer term, as part of the PE curriculum.

We are also keen to hear about the sporting activities that our pupils take part in outside of school. Please let us know if your child has a particular sporting talent and is a member of a club.

After school & Lunchtime Clubs

We offer a wide range of lunchtime and after school clubs and try to organise provision to provide variety. Not all clubs run each term as we try to offer as much choice and variety to pupils as possible to try to find something for everyone.

At the beginning of the term, a letter will come home with details of the clubs on offer for children to sign up to.

Some of the clubs we have offered include:

- | | |
|----------------|-----------|
| Gardening | Guitar |
| Recorders | Chess |
| Maths Fun club | Choir |
| Cross Country | Football |
| Multi-Skills | Athletics |

After school clubs are very popular and numbers are limited. We try to accommodate pupils requests as much as possible but please be aware that some clubs may have a waiting list.

Resources

We aim to be as well-resourced as possible for the benefit of the children and the purchase of new resources is an on-going process.

The school has a range of Computing equipment which is used throughout the school day to support all areas of the curriculum. Each class has an interactive whiteboard and staff and children are very proficient in using technology.

We are also very keen to develop the use of the 'Outside Classroom' and have invested resources that can be used at playtimes and lunchtimes as well as during class time. The school also has a 'Forest School' area which is used throughout the year.

Pupil Behaviour

The safety of your child in school is of paramount importance and therefore we are not only concerned with the educational progress of your children but also with their personal and social development. We aim to be as sympathetic as possible to the children's needs but we try to combine this with having high expectations of what we believe children should be capable of in terms of their ability to work and play with each other.

Pupil behaviour in our school is excellent. Sometimes, though, things can go wrong and problems occur. When this happens we try to involve parents as soon as possible so that everything is as clear as can be. We hope that you, as parents, will try to do the same with us. Any upset in the home can have an effect at school in the way a child behaves and it can be helpful to have an idea as to why a child may be acting differently.

We do not have many school rules but those that we do have are easy to understand.

We have a **Whole School Behaviour Plan** used throughout school to support children, parents & staff with positive behaviour management.

The plan concentrates on rewarding children for behaving well, at the same time as making it clear that poor behaviour has consequences.

A copy of the behaviour plan is displayed in every classroom and children's good behaviour is rewarded in a variety of ways. Children particularly enjoy 'Golden Time' every Friday.

Parents are kept as well-informed about their children's behaviour as possible. For minor concerns parents will be contacted by the class teacher; for more serious concerns, you may be contacted by Miss Ganderton, Pastoral Support Manager or a letter may be sent home by the Headteacher to both inform parents & also give them the opportunity to come in to school to discuss any concerns.

We recognise positive achievement in many ways, such as the awarding of certificates, having weekly 'pupil of the week' awards and by regular home/school contact to celebrate success. Children also earn 'Dojo' points which equal certificates & prizes depending on the number of points earned.

Home/School Contract

The home/school contract is an important feature of school in the context of behaviour in that it emphasises the importance of self-discipline and respect for others.

Head Teachers awards & letters are also sent home to recognise outstanding achievement & we would suggest that if your child brings one of these home that you may wish to treat them to something very special, as they are only awarded for exceptional achievements. Our Friday awards assembly is very popular with the children.

Pupil groups within school

We believe that our pupils have a lot to offer the school & are the best people to consult about the work that we do. Therefore, we have a number of groups that represent the views of their peers.

School Council

Our School Council meets with staff on a regular basis to discuss plans & initiatives for the future. The School Council consists of a group of children who bring issues to the notice of staff. It is one of the ways in which we give the pupils in the school a voice so that children are as involved as possible in whole school development.

School council members are elected by their class mates to represent them each September & are 'in office' for the academic year.

Rainbow Captains

Each September, Year 6 pupils are appointed as Rainbow captains. These children act as role models for the younger children in their Rainbow group. They are nominated by their fellow class mates & teaching staff. Following a voting process, Mr Fox, Headteacher, makes the appointment.

Rainbow captains are responsible for collecting Rainbow points each week & helping with various Rainbow group activities. The Rainbow cup is awarded at sports day.

Worship Group

A number of children represent their classmates as members of the schools Worship Group. These pupils meet with staff to make suggestions regarding whole school worship, classroom worship areas and class worship. These pupils often lead worship in their own classes and take an active part in whole school collective worship.

Safety group

Safeguarding our pupils is of paramount importance and we believe that the best way to do this is by consulting the children themselves about their safety both in and out of school. The safety group work with the SLT to discuss how to keep themselves & their peers safe. They discuss such things as bullying, how to keep themselves safe on social media sites & in the community.

Open Days/Special Events

The school organises a number of open days and special events at various times throughout the year, where parents & children take part in a range of activities based on different areas of the curriculum. They have the opportunity to look around school and chat to teachers & pupils informally about the curriculum as well as engaging in some activities themselves. Open days are a very important part of the social life of the school.

A number of 'special events' take place throughout the year, including Harvest Festival, Christmas & Easter performances. These are always very popular with parents.

PLEASE NOTE:

- The school site is a non-smoking zone & visitors are not permitted to smoke anywhere on school property – this includes e-cigarettes.
- Parents/carers are not permitted to use their mobile phones in school for safeguarding reasons.

- We will not tolerate any verbal or physical abuse from parents and carers. We expect all parents and carers to act in accordance with the school rules and follow proper channels (i.e. not social media) if they are unhappy with any aspect of schooling.

How can you help us to support your children?

There are a number of ways that parents can support the school to provide the best education possible for your child.

You will be asked to complete a **Home School Agreement** when your child starts with us. This means that you agree to support the school with such things as managing behaviour, ensuring children attend on time each day etc.

Healthy Schools

Donnington Wood CE Junior is a healthy school and as such we are proactive in teaching children about healthy eating, the importance of exercise and healthy lifestyles.

School meals are well-balanced and nutritious and our cook often uses produce that the children have grown themselves in the school garden.

If you provide your child with a packed lunch, we ask that you consider using healthy options and do not send chocolate bars etc. to be eaten during lunchtime.

Some suggestions for healthy lunchboxes can be found at the back of this prospectus.

Morning snacks

As our morning session is quite long, we do allow the children to bring a snack which can be eaten before playtime. It is school policy that only healthy options, such as fruit is permitted. Please support us by not sending chocolate, cakes or crisps for their playtime snack as they will not be allowed to eat them.

Homework

The role of parents in encouraging children to complete and return homework is vital and we are very grateful for the support we receive.

Children receive literacy & maths homework at least once a week. Homework will always be set according to your child's prior learning & will reinforce activities that has taken place in the classroom, therefore the work should not be too difficult for children to complete at home.

From time to time, homework projects linked to the class topic area will be set and this is designed to build on the learning that has taken place across the school.

It also provides parents/carers with the opportunity to 'get involved' with their children's homework.

Children are rewarded for bringing in completed homework on time each week.

At the start of the year the children are given a Reading, Spelling & Homework diary where you can record if they have read to you, practised their spellings & completed homework. They will bring this home every day & it should be returned to school each morning. Reading is very important in the school.

SeeSaw: we use the online app SeeSaw to carry on and extend learning at home. We are looking to use this further. If you don't have an internet device, let us know and we can see what we can do. SeeSaw works on nearly every device.

We would ask that you try to hear your child read every day. Reading diaries are checked regularly in school and the children are rewarded with stickers & 'Dojo' points for reading regularly.

Personal belongings

Children are not allowed to bring toys etc. to school, unless a member of staff has given them specific permission. The heartache and distress caused by the loss of a favourite toy and the amount of valuable teaching time lost in trying to find it just make it too difficult to allow.

Children are permitted to wear sensible stud earrings & watches **but** we would stress that these items are the responsibility of the wearer & sadly school cannot accept any liability for their loss or damage.

Mobile phones

For safeguarding reasons, mobile phones **must not** be brought in to school unless direct prior permission has been obtained by parents from the Headteacher. Permission will be given only in exceptional circumstances. Any mobile phones brought into school without permission will be confiscated and kept in school until a parent collects it.

School Fund

At times throughout the year, we raise money for our School Fund by holding events like Book Fairs, sales of photographs or Christmas Sales. We also, from time to time, hold sponsored events or

organise raffles for either School Fund or for a worthy charity. In the past, for example we have supported NCH Children in Action, Barnardos, The Shropshire & Mid Wales Hospice, Comic Relief, UNICEF and a host of smaller “one-off” appeals following, usually, environmental tragedies. Each year we will choose a different charity to support.

The school fund buys all those extra things that we would otherwise be unable to afford. As well as supporting the purchase of additional educational resources, the school fund enables us to keep the cost of educational visits to a minimum for parents. It also allows us to treat the children occasionally by subsidising such things as visits by the Animal Man etc.

School fund is subject to an annual external audit to ensure that we have used the money we receive appropriately. Each year, you will receive a letter giving details of how much money has been raised & spent.

Keeping in touch

It is very important to us that the link between parents and school is as strong as possible. It is in all our interests that we work together for the benefit of your child. Throughout the time that we have your child in our care, you will have many opportunities to discuss progress with his/her class teacher or with the Headteacher both formally & informally.

There are two ‘Formal’ opportunities per year to meet with staff to discuss your child’s progress - one in the autumn term and one in the spring term. In July, you will receive a written end-of-year report for your child. You are also welcome at any time to make an appointment to see the Head or class teacher about any aspect of your child’s education.

We hope to keep in close touch by writing to you of any events of importance & regular newsletters are common practice in our school – look out for the ‘Fox’s Features’. Each year, for example, you should hear about our Christmas activities, an annual Book Fair, various fund raising events for school and outside charities, plays and concerts, Parents' assemblies and Sports Days, in addition to Parent/Teacher meetings.

You will be invited to many different events throughout the school year and we hope that you will attend as many as possible. Our website also contains the latest news: www.donningtonwood.com

A member of the SLT is usually available before the start of the school day to lend a friendly ear to parents. You will also find Mr Bailey, our caretaker, very happy to assist in any way he can.

Mr Fox is always happy to see parents but it may be necessary to make an appointment.

Administration of Medicines

When you register your child here, we will ask you to complete a personal information form. If on filling this in, you indicate that your child has any form of regular medication that needs to be

administered at school - for example if he is asthmatic or suffers from hay fever - we will ask you to complete a further form to explain how we should help.

Only medicine prescribed by a doctor can be kept in school and this MUST be brought in by a responsible adult who will be asked to fill in the relevant form. Under no circumstances should children bring any form of medication in to school.

Child Protection Statement

At Donnington Wood CE Junior School, we recognise that your child is your responsibility and their safety and well-being your concern. We wish to work in partnership with you, and we will share successes with you, and discuss with you any concerns that we may have.

Since your child's welfare is also our first priority, there may be rare occasions when our concern for your child means that we have to consult other agencies. We will endeavour to contact you in the first instance and share our concerns and where possible, seek your consent to a referral being made to Children's Social care.

However, this will only be done where we believe that such discussion will not place your child at further or increased risk of significant harm. The welfare of the child will be paramount and will override any other considerations where we consider that to be the case. The procedures we follow are those laid down by the Telford & Wrekin Safeguarding Children Board. The school has adopted both Child Protection and Anti-Bullying Policies for the safety of all.

If you would like to know more about our procedures or the policies, please speak to the Headteacher, Mr Fox, who is the designated person for Child Protection.

If you have any concerns about Child Protection, or you want any further advice when the school is closed, please contact Telford and Wrekin Family Connect on 01952 385385.

GDPR and Data Protection

We take your data very seriously. Please visit the website to see our privacy statement and policy.

We hope that you have found this information useful. Please do not hesitate to call school on 01952 386660 if you require any additional information or support. We are always happy to help or to see first hand our vision in action.
