Assistant Head: Mrs. F. Poyner

School Business Manager: Mrs. C. Bailey

"The ones who plant and the ones who water work together as a team with the same purpose." 1 Corinthians 3:8

Welcome Back

Dear all,

We hope you have all had a safe and happy summer break. We are so excited about welcoming you back on Monday for our new school year; it is such a privilege and honour to teach your child.

All school information can be found here.

[The school prospectus](#)

Final instructions for next week

1) Please help us all stay safe by getting your child to take a **lateral flow test** on Sunday. They must not attend school if they have symptoms of COVID. Please let us know and we will provide online learning for your child.

2) Please ensure your child gets a good night's sleep and is ready for their return to school.

3) **Arrival plan.** For the first week only we will continue to stagger our start and end times until everyone knows the system and due to the fact that the road (Leonard Close) has been dug up again. Please be aware of this for arriving and parking.

Our usual school day begins at 8.45am (Registers close and lessons begin) and ends at 2.45pm every day.

For the first week only

Year 6 will enter at 8:30

Year 5 will enter at 8:33

Year 4 will enter at 8:35

Year 3 will enter at 8:40 (Y3 Parents will be allowed to bring children to their classrooms.)

Finish Times

Year 3 will finish at 2:30 (Y3 Parents will be able to collect from classrooms)

The rest of the school will finish at 2:40 with Year 6 coming out first if walking home on their own. If you collect your child, please walk around the one-way system to the correct area. We will be there to help. Please make sure your child knows which gate they are going out from, and/or who is collecting them.

Bottom Gate procedure drop off (morning)

Please wait on the corner as indicated on the map.

Your child's class will then be called forward at the correct time. Pupils will then walk in on their own.

Top Gate Drop off. Pupils will wait along the pavement (keeping space clear for passers-by). Classes will then be called forward when it is their time to enter.

Bottom Gate Collection (end of day)

Please follow the one-way system around the school to collect your child from their classroom.

Top Gate Collection (end of day)

We will bring your child up to the top gate where you will meet them.

We will send out the revised plan for the second week later in the week.

Year 3 Parent Pay details and other logins

Parent Pay is our main way to communicate with you and for you to pay for trips and dinners. You will receive your unique login details on Monday. Pupils will be provided with lunches whilst you get onto the system.

School Dinners

Unless you qualify for Free School meals, you will need to put credit on your Parent Pay account.

School uniform

If you have ordered a jumper or cardigan this will be given to your child this week.

Online Learning

We are proud to be world beating with our online offer. We use Seesaw for all our lessons and homework, and Accelerated Reader and Timetables Rockstars promote reading and arithmetic skills. Please access these apps remotely and encourage your child to complete any work set while they are at home. If you need devices to support you, please let us know.

All letters and messages from school will be sent to you using **Parent Pay**. Teachers will also use **Family SeeSaw** to contact you about class information. Please help support us by signing up for these apps. It is easy to use and we can help with any problems logging on.

If you have borrowed a Dongle for Wi-Fi or laptop last term, we do need these back, as we need to update them and reissue. If you have borrowed an Ipad 2, you may continue to loan these for a while longer.

We are confident this will be a really successful start to our new Autumn term. We look forward to welcoming everyone back on Monday.

Mr Fox and all the team

Bottom Gate where to wait.
