Our Simas report stated that:

The Christian vision is made real through the core values of hope, friendship and perseverance. These have a profound and positive impact on how pupils and adults flourish in their personal growth.

Care for more vulnerable pupils and their families is exemplary and inspired by Christian teachings. The school is a safe haven for those who face challenges in their lives and learning.

The curriculum is creative and inspiring. As a result, pupils grow in hope and aspire to a bright future.

Relationships across the school are warm and trusting. The Christian vision and values are a lived reality so that behaviour is excellent. New pupils are readily integrated and part of the extended family that is Donnington.

Are you pleased your child comes to a school with these values?	Yes 100%	No
---	-------------	----

Have you got any other comments?

Yes pleased with the progress my son is making.

Very happy smiley face

Its brilliant that the teachers have adapted to my child's extra needs so well, and cope with them along with the daily tasks of teaching and looking after the other children in the class.

We fell very lucky to have my child in the position where she is happy, well cared for and is given that extra mile so she succeeds.

Lovely school, friendly and helpful staff. My son enjoys coming to school everyday. Always well informed on his progress and the things he needs help with.

Keep it up you are all amazing.

Thank you!

Great School

Thank you for you great job and patience.

I just want to appreciate the teacher and the school management at large, for the play therapy adopted to help my son cope with his behaviours. I see it as effective method for his challenging behaviours.

All areas have similar feedback, however a general slight increase of in the middle, and increase of agree over strongly agree. It is great parents and carers agree, and we want to further improve this to get back to Strongly agree.

We are constantly striving to raise expectations, whether through the presentation of work or to attitudes. We will set this as a target from today, but we need your help. We are proud of every achievement, big or small. We will feedback more soon.

We are surveying pupils on this issue too.

With bullying, again, I am pleased we have acted and sorted it. We have a robust behaviour policy and staff action.
