Over 2,500 people helped in your area since April 24

“Talking to the team – they were so welcoming. It was like talking to a friend. They were pleasant and I didn’t feel put out at all talking with them.” – Jenny

- Our YES Advice Line has been set up, through energy company obligatory funding, to help people make their bills more affordable.
- We give free advice on reducing energy use and help people to access free funding for home upgrades.
- We can also help with advice on accessing the right benefits and grants and support you if you are in debt to your energy company.

Energy Support Fund Now Open!

If you're struggling with energy debt we may be able to support you with fuel vouchers, direct payments to suppliers or alternative fuel payments.

Call us on 03330 149 466 to see if we can help.
