

Telford & Wrekin Music – Instrumental lessons

How to Apply

To apply for instrumental lessons, parents/carers should complete an application form for their child's chosen instrument. You can apply online via our website www.telfordandwrekinmusic.co.uk. Once completed, the application will be added to the school's waiting list, which is reviewed every half term. Once there is enough interest in a specific instrument (minimum of two students for small group lessons), we will contact you to confirm a start date. If space is available, your child may be added to an existing group.
