

October Newsletter

Dear Parents and Carers,

It is hard to believe that a month has already passed since the start of the school year. The children have settled brilliantly and have already enjoyed a wide range of activities, trips and adventures. Throughout these experiences, our core value of **Friendship** has shone through, with pupils supporting one another, working together and representing our school so positively.

We were particularly proud of the children who appeared on **BBC Radio Shropshire** to share their thoughts about healthy school dinners. They spoke confidently and were excellent ambassadors for our school community.

Harvest Festival

Our **Year 3 pupils** will be leading this year's Harvest Festival on **Thursday 22nd October at 1:45pm**. Families are warmly invited to join us for this special celebration.

Telford & Wrekin Music Visit

On **Monday 5th October**, **Telford & Wrekin Music** will perform a fantastic concert for our pupils.

Following the concert, parents and carers are invited to meet representatives from Telford & Wrekin Music after school to find out more about the music lessons and opportunities available through school.

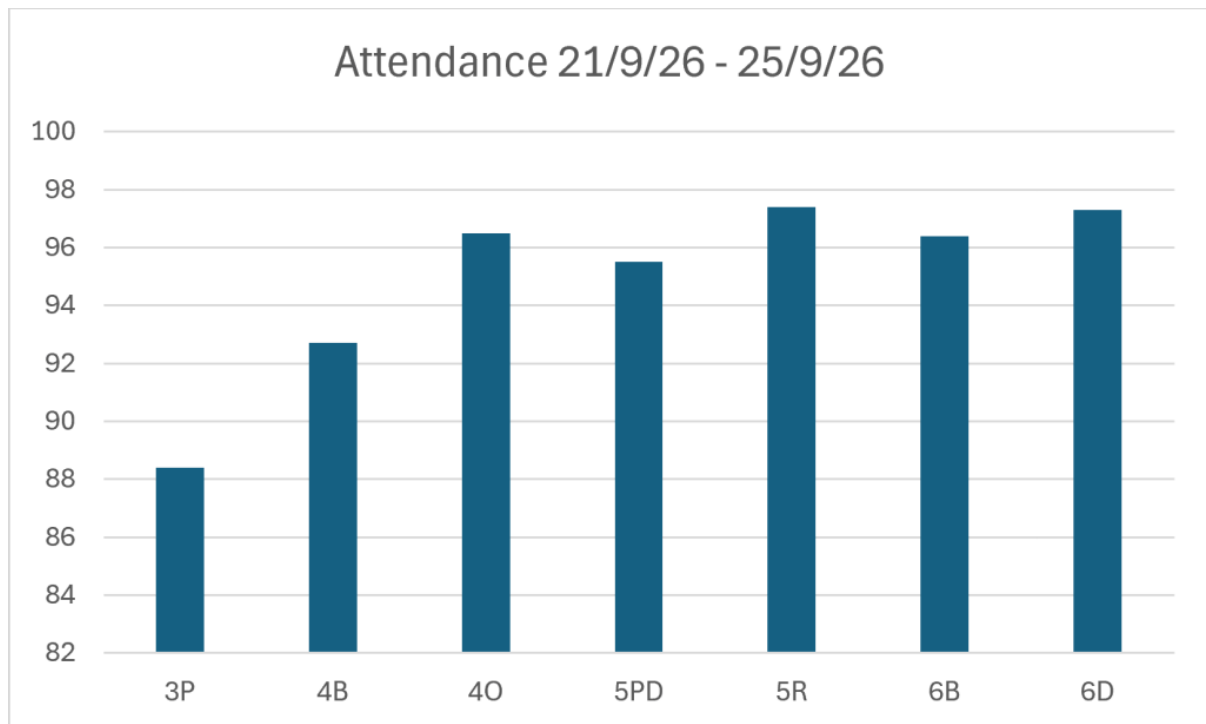

If your child is interested in learning a musical instrument, we would encourage you to come along and explore the opportunities available.

Macmillan Coffee Afternoon

A huge thank you to everyone who supported our Macmillan Coffee Afternoon. Together we raised **over £180** for this fantastic cause, demonstrating great compassion and generosity.

Attendance

Good attendance remains one of the most important factors in helping children achieve their best. Thank you for your continued support in ensuring pupils attend school regularly and arrive on time.

Whole school attendance on 25/9/2026 94.7%

Class attendance winners with 97.4% is 5R – Well done

Art Week and Art Gallery

On **Friday 9th October**, we will be celebrating our pupils' creativity through our Art Gallery.

Across this week and next, we are putting a special focus on art and developing our drawing skills. Children are encouraged to bring in artwork they have created at home to share with their classmates and teachers (on Fridays) .

In the coming weeks, pupils will also be displaying their artwork around school for families to enjoy.

Free Breakfast Club

A reminder that our **Breakfast Club is free for all pupils**. Children can arrive between **7:45am and 8:00am** to enjoy fun activities, games and breakfast before being taken safely to their classrooms.

Reading and Homework

Homework is beginning to be sent home and, in the meantime, we would encourage all families to hear their child read regularly at home.

Children will soon begin bringing home their reading records and homework diaries to help strengthen the partnership between home and school.

Embrace Wraparound and Holiday Club

A reminder that we offer full wraparound care through **Embrace**. Embrace will also be providing holiday clubs during the school holidays. Further information will be shared with families shortly. <https://embrace.ipalbookings.com/app/activities> to Book.

Celebrating Independence

We are encouraging children to develop their independence and love of learning. If your child completes additional work at home, please encourage them to bring it into school on a Friday. We love celebrating these achievements and also award a prize!

Clubs and Sporting Opportunities

Our **Year 3 and Year 4 Cricket In School Club** is now underway, alongside a range of other after-school clubs. Thank you to all the staff who continue to provide these valuable opportunities for our pupils.

Year 4, 5 and 6 Adventures

Our older pupils have enjoyed some fantastic learning adventures designed to inspire our core values of **Friendship, Hope and Perseverance**. There have been many memorable moments, including some brave Romans facing attacks from the Celts!

We have included photographs for you to enjoy and celebrate these experiences with us on the [website](#).

As we move further into the autumn term, thank you for your continued support. Together, through Friendship, Hope and Perseverance, we can ensure every child flourishes and enjoys their learning journey.

Kind regards,

Mr Fox
Headteacher
